## Sarah Childress Polk: First Lady

*The paragraph below tells about a special date in September history. Can you find and mark ten errors in the paragraph? Look for errors of capitalization, punctuation, spelling, and grammar.*

Sarah Childress was born near murfreesboro, Tennessee, on September 4 1803 She was born at a time when few girl's went to school, but Sarah was given the rare gift of an education. That gift would pay off after she marryd James K Polk. Sarah and James had no children, so Sarah worked behind the scenes to help his husband achieve success. In 1845, James became the 11th president of the United States and Sarah become America's first lady.
